

Thanksgiving is already upon us. It is always a special time when we reflect on the gifts we have been given and remember what is important to us. The Holy Trinity Community wishes to extend you wishes for a Happy Thanksgiving, surrounded by family and friends as you celebrate and give thanks for what is important in your life.

Although it has only been four weeks since the first days of school, we already have much to celebrate. In particular I would like to congratulate Mr. Faught and our Girls Volleyball team for their efforts at the Tri-Ball Tournament where they took first place and earned Holy Trinity it's first banner for the walls! As well, Holy Trinity now has it's first Handball team and they have grown incredibly in these few short weeks and especially at their tournament in Penhold. Finally, Ms. Westman took a group of students to a Cross Country meet and three of our students qualified for Zones! Well done to all of our sports teams and their coaches. You make us so proud.

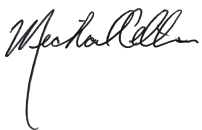

Over the next week, Student Council will be starting up under the direction of Mrs. Jorgenson and Ms. Kurtz. We look forward to the many exciting events and programs that these school leaders will bring to Holy Trinity. While their events have not yet been planned for this month, stay tuned for updates on our Website, Facebook page and Agendas for what they have in store for us!

A huge thanks goes out to our Fun Lunch team who, once again, have put in a large amount of time and effort to make sure that Holy Trinity students have a hot lunch EVERY week! Their generosity makes our Fridays all the sweeter. If you have any questions about their program, please contact them at funlunchholyltrinity@gmail.com.

Another dedicated group of individuals in our school is Holy Trinity's School Council. They meet every month to discuss school matters and organize ways to help our growing school community. One of the ways they help is by holding fundraisers on behalf of the school. Currently, they are starting their annual **Cookie Dough Fundraiser!** You should have seen forms go home recently. Last year's proceeds went to vastly increasing our library holdings as well as to school field trips! If you would like to help with this group you are welcome to join us on the first Monday of every month at 6:30 PM in the school library. Also, you can email the School Council at ptaholytrinity@gmail.com.

Unfortunately, we have already had our first case of head lice this year and I'm sure we will have more cases as the year progresses. Please be checking your child's hair and scalp on a regular basis, especially if they start complaining about being itchy! If you discover that your child has this condition please let us know at the office right away! Students with head lice must have at least one treatment before they can return to school.

On behalf of the Holy Trinity staff, I wish you a wonderful Thanksgiving Season. May the good Lord protect and watch over each of you. Let us be mindful of our many blessings and express our gratitude to God.

Yours in Christ,
Michael Cellini
Principal
